

SEVA CARE GROUP NEWSLETTER

Issue 1 | January 2020

WELCOME

I would like to welcome you all to Seva Care Group Newsletter. I would like to take this opportunity and wish you and your families a healthy and Happy New Year. Our main objective behind starting this newsletter is to keep you updated about the new developments happening at Seva Care Group. Going forward you will see a lot of new communication from us about our new projects. We are also planning various events through the year and we look forward to your support and participation. If you wish to discuss any of your concerns, please feel free to write to me on pritesh@sevacaregroup.com.

We will now be publishing this newsletter quarterly. If you have any feedback or suggestions, please write to the publishing team on noopur@sevacaregroup.com.

New day opportunities and plans for 2020

Our day services have evolved over the past decade, we have tried to push boundaries to meet the needs of the individuals we support.

Seva Care Group's new day offering provides individuals with increased opportunities for employment, independent living, health& fitness and social integration through our bespoke programs running at all facilities. The new offering would include programs such as work experience, supported internships, travel training programs, barista training, community integration programs and more.

A new operational structure has been put into place, which will help us deliver all the individuals' outcomes more effectively. Individuals will be supported in small teams depending on their interests, goals and aspirations. We have introduced new development charts to constantly monitor and document the progress in the areas of development outlined in care plans.

Community integration program:

As a part of this program, we encourage and train our individuals to participate in various community events. We hosted charity bake sale at Harrow Summer Screen in the town centre on 8/10/2019. We showcase artwork and distributed sweet treats baked in the high street café to celebrate the Diwali light switch on event on 25/10/2019. Individuals from all our services created hand made gift tags which were used by a charity named Harrow Shop Mobility during their Christmas gift wrapping event between 17/12/2019 – 21/12/2019.
